# Our Vision

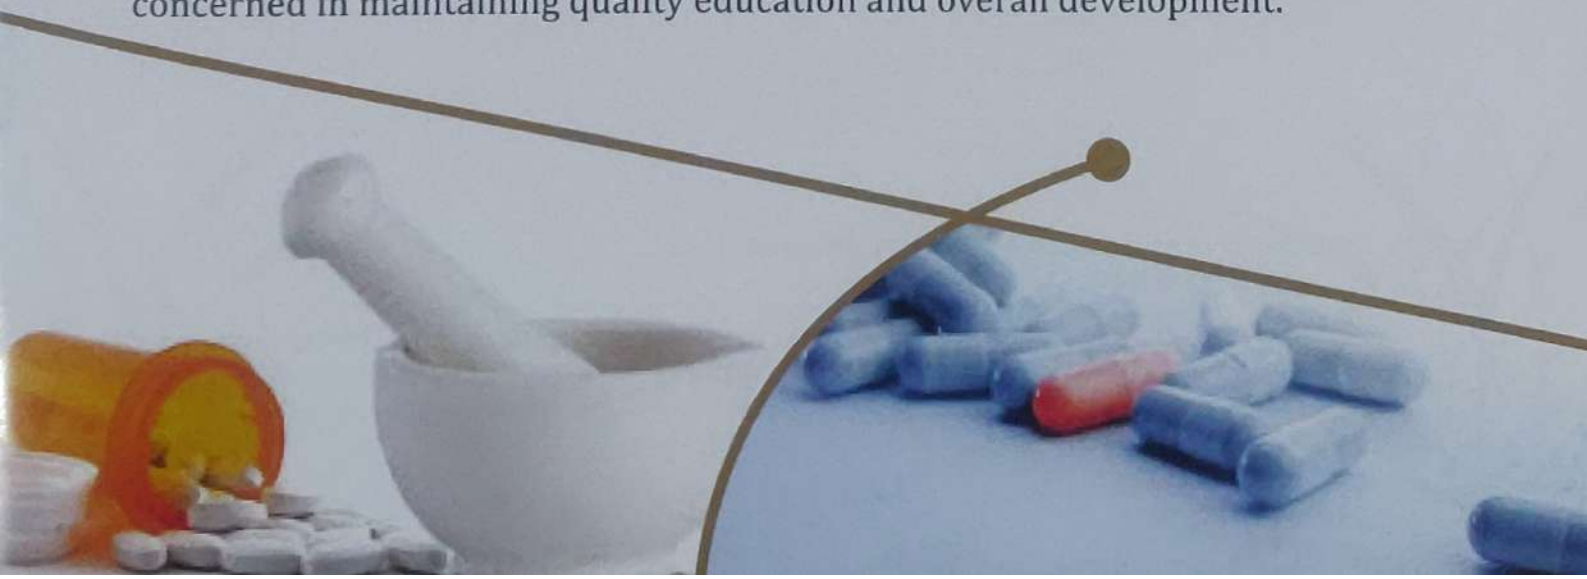
" TO BE PERCEIVED AS A PREVALENT INSTITUTE FOR PROMOTING TRANSCENDENCE IN PHARMACY DISCIPLINE TO CODDLE THE URGE FOR PROFESSION AND HUMANITY "

# Our Mission

1. To achieve transcendence by creating learning environment and providing facilities for creative thinking and personality development.
2. Impart conducive environment to escalate problem solving perpectives, forethought ability and effective communication skill in budding pharmacists.
3. Promote ethical and professional values to prepare sustainable and competent workforce having professional indentity with sense of social responsibility.
4. Establish industry institute interactions to escalate industrial perspective for improving employability, enterpreneurship skills, industrial competency and to prosper lifelong learning.

# Quality Policy

1. Inculcate discipline and methodical work culture among staff and students by implementation of well planned academic calendar curriculum and implementation assessment norms.
2. Providing conducive academic and working atmosphere for faculties staff and student for continual improvement.
3. Development of learning capabilities and Inculcate human values, for positive Outlook in life and personality development.
4. Participation and organisation of various programs for the development and upliftment of Pharmacy profession promotion of the team Spirit by involving all concerned in maintaining quality education and overall development.



# OUR INSPIRATION

**Her Excellency Smt.Pratibhatai Patil**

Ex. President of India
&
Former President
Vidyabharti Shaikshanik Mandal, Amravati.

"Education Which should also include physical education, is very important for every boy and girl for enlightened society. I call on school and college students to focus on acquiring knowledge and developing progressive and human attitudes so that they are ready with skills to meet the requirements of the new, dynamic knowledge era.

Today, Innovation is the key to change. It is therefore, appropriate that the ongoing decade was declared as one of innovation in India. A spirit of creativity should exist at every level of society. A lot rests on our educational institutions, research organizations and scientific bodies, to come out with new technologies and new innovations. The nation has high expectations from them. However, I have also seen that at the grassroot level, ordinary citizens have come out with many innovations based on practical requirements and experiences. They too must be encouraged and supported".

( SPEECH BY HER EXCELLENCY THE PRESIDENT OF INDIA SHRIMATI PRATIBHA DEVISINGH PATIL ON THE EVE OF DEMITTING OFFICE OF THE PRESIDENT)

# OUR INSPIRATION

**Hon'ble Dr. Devisingh R. Shekhawat**

An eminent educationist,
First Mayor of Amravati, Former MLA
&
Founder President
Vidyabharati Shaikshanik Mandal, Amravati

Vidyabharti Shaikshanik Mandal, Amravati was estabished in 1969 by Dr. D. R. Shekhawat with a wider objective of contributing to intellectual awakening and socio - cultural transformation in Vidarbha region through an institutional network. Under the imaginative, dynamic and socially committed leadership of Dr. D.R. Shekhawat, V.B.S.M. has made a mile stone in the field of education during a short span of 70 years. The Govt. of Maharashtra has awarded the certificate of best Educational society to this mandal in the year 2001-02 for outstanding educational & social activities.

" Committed to impart quality education to make the students competent
committed and complete human beings
with a spirit to serve the nation and the humanities."
Dr. D. R. Shekhawat

# MANAGEMENT

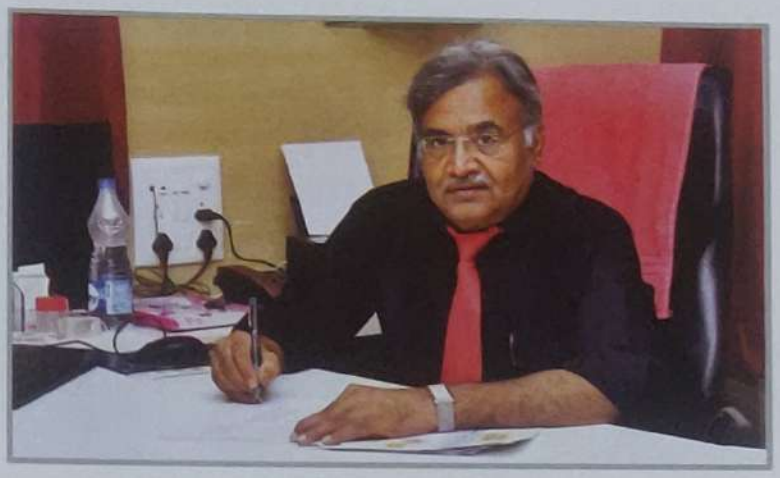
**Mr. Raosaheb D. Shekhawat**
Ex. MLA Amravati &
President,
Vidyabharati Shaikshanik Mandal, Camp, Amravati.

**Mr. B.L. Shekhawat**
Vice - President
Vidyabharati Shaikshanik Mandal,
Camp, Amravati.

**Mr. A.D. Chavhan**
Secretary,
Vidyabharati Shaikshanik Mandal,
Camp, Amravati.

**Mr. Raghunathji Rode**
Treasurer
Vidyabharati Shaikshanik Mandal,
Camp, Amravati.

# From the Principal's Desk



**Dr. K.K. Tapar**
M.Pharm..Ph.D

We have a vision to build up excellent center of technical education coupled with industrial interaction. This will be structured with the academic excellence that the institution has set for itself. The institute organizes programs that highlight the fundamental values in life directing its students to achieve excellence in their fields. The campus extends career building opportunities to students every year. Highly qualified and well experienced faculties mould and mentor the students for prospective careers. We have a very dedicated group of faculty and staff who works together to spread the quality knowledge. These staff members bring an immense amount of talent, resources and experience to the table benefit of Vidya Bharati College of Pharmacy. As a part co-curricular and extracurricular activities we conduct state and national level seminars and workshops; which encourages students to participate in technical paper presentation contests; organize lectures by experts from leading industries etc. Vidya Bharati College of Pharmacy aims at not only educating the young to be successful pharmacist and Entrepreneurs but also to churn out socially responsible human beings of tomorrow. I convey my best wishes to all the students and their parents for a successful future and good education.

# About the Institute

Vidyabharti College of Pharmacy was established with a view to promote excellence in pharmaceutical education and to prepare young men and women to meet the challenges in areas of pharmaceutical industries, education research & development and marketing. The institute provides diploma, degree, postgraduate and doctorate level education at this centre of excellence. The institute is poised to face global challenges of the pharmaceutical industry and education with the changed perspective.

VBCP is a friendly, informal, vibrant community for learning. VBCP as a centre of learning is recognized for its high quality education. Our learning systems integrate mastery of fundamentals with across domain competencies.

## Special Features

- Cost effective education because of reasonable tuition fees& living expenses.
- Simplified admission procedure Experienced, committed & renowned faculty
- State of the art laboratory facility
- Updated library facilities with internet
- Sophisticated instruments
- Abundant & Enriched teaching learning material
- Regular orientation workshops
- Spectacular results
- Emphasis on placement
- Articulate hands on training
- Wifi Campus
- Regular Mentoring session.

# Infrastructure

## The Campus

Vidyabharti College of Pharmacy is located on its own land with its infrastructure at the center of Amravati. 2 km from Amravati Railway Station and 10 km from Badnera Railway Station & 1 km. from Amravati Bus Stand.

A beautiful campus of the Institute is sprawled in an area of 2.5 acres in picturesque surroundings providing a refreshing environment, stimulating intellectual alertness and creativity. The Campus has facilities for Canteen, Mess, Hostel, Playground, Indoor games Stadium, Gymnasium & Auditorium. The campus provides an ambience that motivates students to grow. The institute building has modern amenities. The post graduate laboratories are independently developed for M.Pharm. and Ph.D. students. Apart from this, the campus has sports facilities and over all ambience is distinguishable by serenity, which is conducive for intellectual pursuits.

## Laboratories

The Institute has Separate laboratories for post graduate, undergraduate & diploma students. The laboratories are designed and equipped with several state of the art technologies, which are the setting for instructing in the evolving needs of the pharmacy profession i.e. Pharmaceutical and Health care industry. The laboratories are spacious and ventilated, having adequate space for students to carry out experimental work smoothly.

The laboratories are well equipped with various sophisticated instruments & machines required for imparting knowledge to the students.

## Class Rooms

The Class rooms are spacious, ventilated and equipped with multimedia and Interactive equipments to facilitate effective learning. The class rooms are designed to provide maximum interaction between faculty and students.

## Computer Centre

Computing facilities for students include a laboratory equipped with 44 computers to the Recent Windows server and Local Area Network and Wi-fi facilities. Optical Fiber Cabel installed in the 10 mbps plan VPN Network. The network also connects the faculty and staff for information sharing and communication. The students have an easy access to the Internet. The faculties are also provided computer and internet

## Spectroscopy

The Institute houses modern analytical Instruments like HPTLC, HPLC, FTIR, Fluorescence Spectrophotometer, GC, UV-VIS Spectrophotometer Atomic Absorption Spectroscopy, which provide analysis comprising elemental composition, chromatography, diffraction, particle/material Characteristics including various spectroscopes. The laboratory provides analytical support and intellectual input to both in-house and externally founded R&D projects.

## Animal House

VBCP has state of the art animal house facility registered by CPCSEA, Government of India. It is envisaged to provide preclinical testing in conformity with national and international regulatory guidelines. The animal house facilitates the availability of healthy and homogeneous animals for U.G. and P.G. studies and research/outsourced testing.

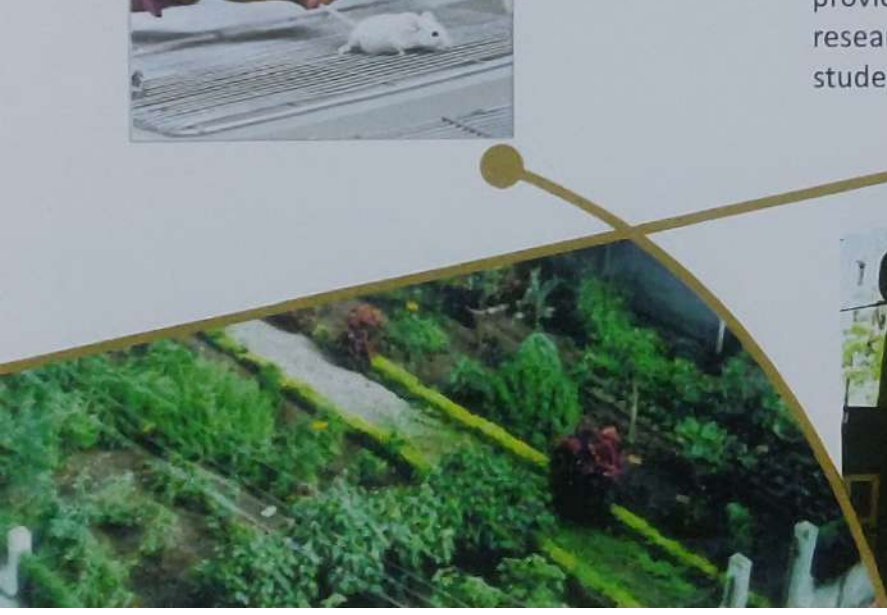
## Body Temple (The Gym)

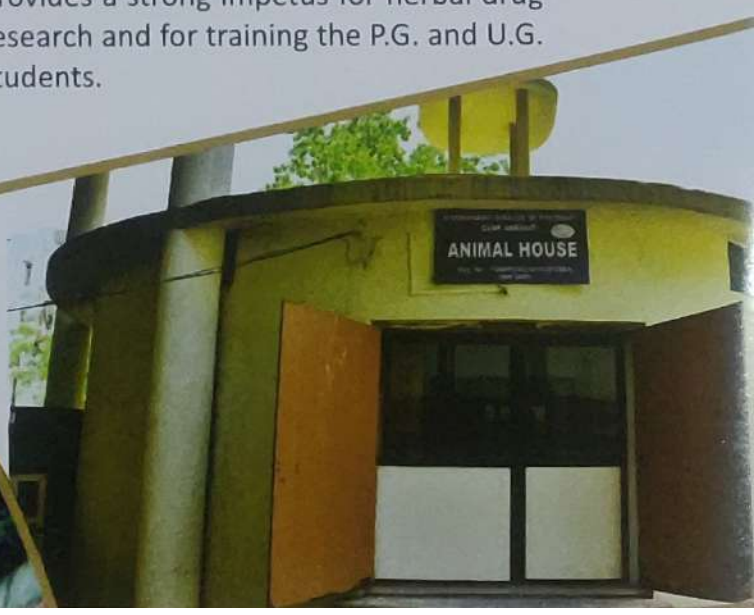
## Pilot Plant

The Institute has developed a well equipped Pilot Plant for formulation, design and development of dosage formulation. It is equipped with various sophisticated machineries required for imparting knowledge to the students regarding various formulation processing and testing equipments used in the manufacturing of pharmaceutical dosage forms like tablet, capsules, liquids, semisolids, parenterals and novel drug delivery systems. Rotary tablet machine, fluidized bed dryer, spray dryer, freeze dryer, automated dissolution apparatus, different mixers, automated ampule filling and sealing machine, digital tablet tester and RI5 Rheometer are the Vital instruments in the pilot Plant.

## Medicinal Garden

A medicinal Plants garden has been developed in the campus & various medicinal plants have already been planted. The Medicinal plant garden provides a strong impetus for herbal drug research and for training the P.G. and U.G. students.





## Learning Resources Centre (Library)

In VBCP it's a belief to facilitate production and dissemination of knowledge, information, insight & intellect in all scientific communities. The library plays a vital role in the collection, development and dissemination of scientific and technical information to meet the present and future academic and research needs of varied users.

Presently the library at Institute houses more than 12139 volumes and 2543 titles of books, and indices selectively chosen for reading and reference, 103 project reports (B. Pharm.) 153 Research project (M. Pharm.}, 05 Ph.D. Thesis and subscribes about 17 printed national, 08 international periodicals, E-jounrnals and 10 news papers, 11 Magazines for competitive exam & a well developed digital library with "Delnet" subscribtion.

## Facilities & Services

The library and Resource centre offers the following facilities and services

- Photocopying
- Internet Browsing
- Circulation
- Book Bank
- Computing & printing Service
- Reference Section
- Bar coding issue System
- Reading/ Reference
- Periodical Collection Section
- Current Awareness Program for New Arrival
- Information literacy Programm

# Amenities

## Hostel Accomodation

The institute has separate hostel facilities for Girls. The Hostels are located in the campus. The hostel rooms are spacious and well furnished. The hostels have sports and other recreational facilities, such as Cable T.V. other recreational facilities room etc. & Sick room. The hostel mess is run by private contractor. The hostel residents are expected to adhere to the hostel rules and regulations.

## Canteen

A Modern Canteen and food court provide hygienic and wholesome food, sancks and beverages

## Co-operative Store

Institute gives facility to the students like Co-operative Store for Stationary and daily needs

## Playground

Playground for Cricket, badminton, Volleyball and other games is maintained in the campus, Indoor games facilities have also been created

## Study Center

To Inculcate the culture of reading among the students, the institute has developed a study center with cozy & voice proof ambience

# Academic Programme Offered

## Diploma in Pharmacy (D.Pharm.)

Year of Establishment : 1983 **Intake : 60**

**Eligibility :** To be eligible for admission to First Year D. Pharm. Course a candidate must have passed Higher Secondary Certificate (Std. XII) science examination of Maharashtra state Board of secondary and Higher secondary Education, Pune or its equivalent examination with Physics, Chemistry, Biology or Mathematics and should have appeared for DTE Centralized admission process. (CAP)

## Department Vision

"To develop as center for quality pharmacy education to produce competent pharmacy diploma holders to be part of health care system to serve the society."

## Mission

1. To produce pharmacy Diploma holders with proficent psychomotor and cognitive skills by providing standard learning environment and facilites.
2. To Inculcate strong ethical values and good professional behaviour, so as to adapt and absorb emerging changes in the field of pharmacy profession.
3. To foster allround development and leadership qualities to accelerate enterpreneur traits in the budding pharmacists.
4. To establish Industry institute interaction to create life long learners to serve the society.

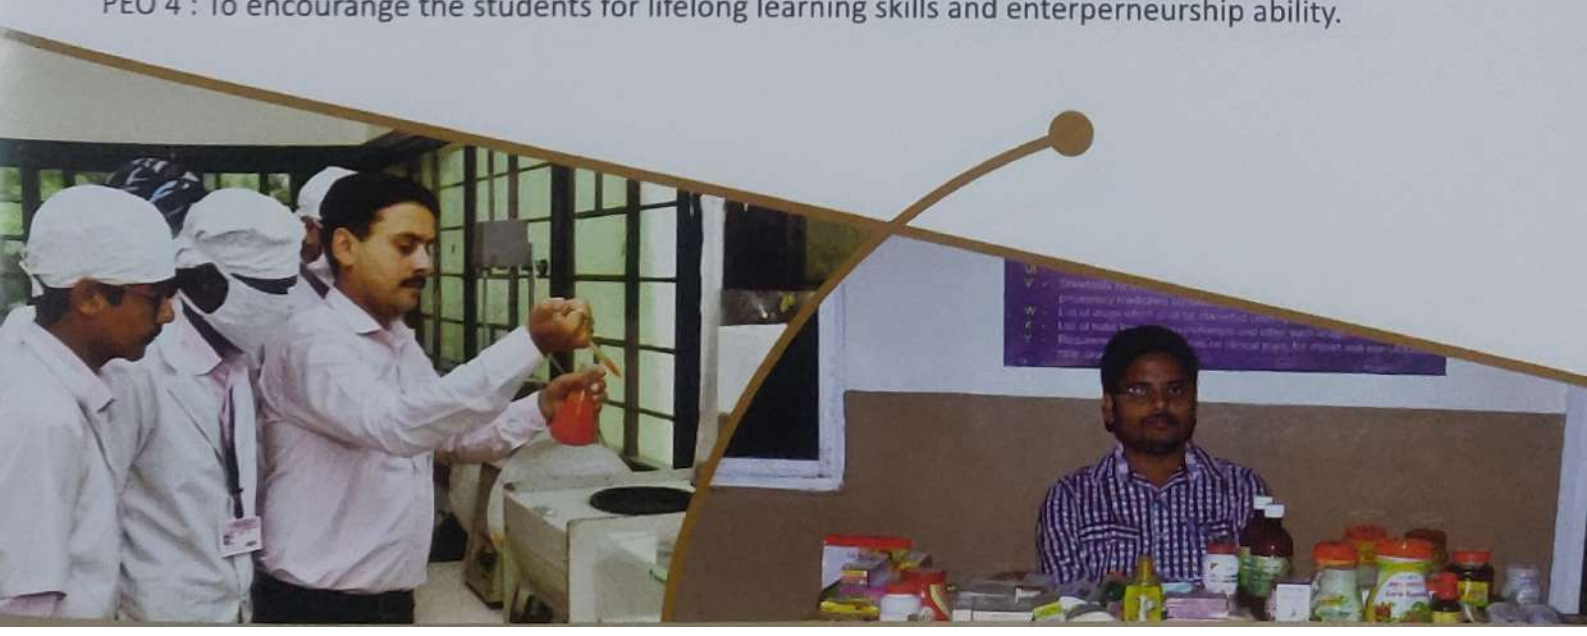
## Program Educational Objectives

PEO 1 : To produce pharmacy Diploma holders able to discharge the responsibilities of pharmacist with adequate understanding of supportive areas connected to the health care system.

PEO 2 : To inculcate leadership quality with planning ability and effective oral and written communication skills.

PEO 3 : To encourage ethical principles and professional values to develop pharmacists with professional identity for serving the society.

PEO 4 : To encourange the students for lifelong learning skills and enterperneurship ability.



# Bachelor in Pharmacy (B.Pharm.)

Year of Establishment: 1993 **Intake: 60**

**Eligibility :** To be eligible for admission to First Year B. Pharm. Course a candidate must have passed higher secondary Certificate (Std. XII) science examination of Maharashtra state Board of secondary and Higher examination with Physics, Chemistry & Biology or Mathematics and should have appeared for MH-CET Pharmacy Entrance Test / NEET.

## Program Educational Objectives

PEO 1 : To provide pahrmaceutical education and professional skills to tackle complex pharmaceutical problems using emerging technologies.

PEO 2 : To inculcate leadership skills, planning abilities and effective oral written communicaiton with multi-disciplinary approach.

PEO 3 : To encourange ethical principles and professional values to develop pharmacists with professional identity for making decisions in broader context to profession and society.

PEO 4 : To establish Industry-institute interactions through collaborations, consultancy activities, training programs to make students competent and sustainable for Industrial environment.

PEO 5 : To encourange students for lifelong learning skills, enterpreneurship abilities leading to successful professional career.

# Master in Pharmacy (M.Pharm.)

Year of Establishment: 2009 **Intake: 39**

Specialization:
1) Pharmaceutics 15
2) Pharmacology 09
3) Quality Assurance 15

**Eligibility :** A Candidate who has passed B. Pharm. from any AICTE approved institution affiliates with University (approved by UGC) & obtained Min. 55% of general category & 50% SC/ST category & should have valid & qualified GPAT score, or SC/ST candidate caste validity certificate will be required The eligible candidates having minimum 55% marks for general category & 50% marks or ST/SC Category should submit & Certificate front his/her employers for the sponsored candidate.

## Admission Process

1) The Admission Process for Diploma in Pharmacy will be Carried Out through centralized admission process as per the Maharashtra State technical Diploma Courses Educational Institutions (Admissions) Rules 2019.

2) The Admission Process for UG & PG will be Carried Out through centralized admission process as per the Maharashtra Act no. XXVIII of 2015 & Amendment 2018.

3) Admission in Institunal Qota & Vacancies after CAP round will be done by Principal at institute level round at the institute.

4) The candidate has to apply for institute level round in the prescribed form to the institution.

5) The Admission shall be made in transparent manner & Strictly as per inter-se merit of the candidate in CAP merit list.

## Rules of Discipline:

1. Students should be regular and punctual in attending classes, tutorials and submission of the term-work. A student will not be allowed to appear for examination if his/her progress, conduct and attendance are not satisfactory.
2. Student, if found indulging in anti-national activities, contrary to the provisions of the Acts & Laws enforced by Government will be liable to be expelled from the college without any notice by the Principal.
3. Ragging of students in any form within or out side the college premises and Hostel is strictly prohibited. Defaulters will be strictly dealt with as per Govt, rules in this matter.
4. Smoking, drinking (alcohol) and use of Drugs is strictly prohibited in the premises of the College and Hostel. Bicycles, Scooters and other vehicles should be parked only in areas provided for the purpose. The Institute accepts no responsibility for their safe custody. Vehicles lodged elsewhere may be confiscated.
5. Any changes in the address of the student must be intimated by him/her in writing to the college office immediately.
6. Students must wear college uniform & carry Identity Card signed by the principal and produce the same whenever asked by the college Authorities. Without Identity Card & Uniform students will not be allowed to enter the college premises and will be strictly dealt with.
7. In case, a student wants to remain absent for some reason, he/she will be required to take the prior permission of the Principal. Students with less than 75% attendance will be debarred from the exam
8. If any of the statements made in the application form or any information supplied by the student in connection with his/her admission is at any time later found to be false or incorrect, his/her admission will be cancelled, fees forfeited and he/she will be expelled from the college by the principal and prosecuted if necessary.
9. A Student shall not go to the press or any other publicity media without taking prior permission of the principal.
10. Any damage to the college property, apparatus, furniture, equipment, library books, building, etc. must be made good immediately by the student concerned.
11. Students must attend social and National programs organized by the College such as 26th January, 15th August and all other academic and cultural programs organized for the students.

## Discipline

The Institute has earned a name for quality education, this is due to the efforts and devotion of well qualified faculty of the Institution. The academic calendar for whole year is notified in the beginning and is strictly adhered to. Student's attendance is compulsory and shortfall is notified. It is expected of every student that he/she should conduct himself / herself with discipline, decency and dignity both inside and outside the campus. The institute sends progress & attendance reports of the students to their parents periodically with a view to keep them informed.

## Dress Code

It is compulsory for all the students to attend college in the prescribed uniform and with college Identity card.

## Ragging is Prohibited

Ragging is strictly prohibited inside and out side the institute campus. The Anti ragging committee constituted for this purpose by the Institute is empowered to take immediate action against any untoward incidence and also to counsel the freshers. Students seeking admission shall have to furnish undertaking in this regard.

If any incident of ragging comes to the notice of the member of the anti ragging committee placed by the institution, action shall be taken against him/her as per provision of the Maharashtra Prohibition of Ragging Act 1999 which may lead to expulsion of student from the institute

## Important Instructions
